Denbigh Administration

Parent Teacher Interview Module

Table of Contents

Functionality

- Functionality to be able to manager students, classes, staff for Parent Teacher Interviews (PTI)
- Individual logins for all parents
- Email/SMS to Parents with details of Sessions
- Email Calendar files with booking details to Parents and Teachers
- Add Siblings of Boarding Students to a session
- 3 Levels of permissions for Teachers/Assistant Staff and Database Administrator (Assistant Staff must be in the Correspondence Groups)
- A wizard creator to easily create a session
- Set different time slots for any teachers
- Set different rooms for any teachers
- Add parents or teachers easily once session is created
- Add non teaching staff to a session

Depending on the level of privileges when this button is pressed there will be different options. The administrator gets all functionality, teachers will only see their classes and the Assistance can see the current sessions to assist with bookings.
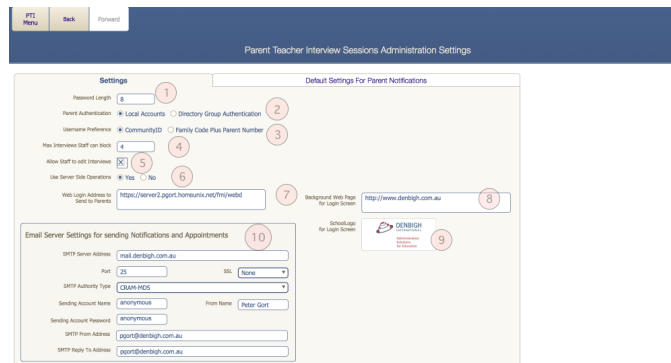

The following functions can only be completed by the Administrator of the PTI Sessions.

PTI Settings
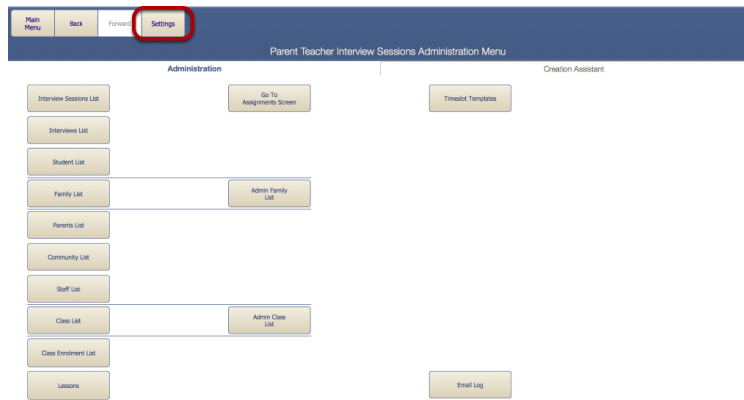

Go to the Settings Menu for all PTI setting and rules and correspondence for Parent Notifications.

Administration Settings

1 - Password Length when creating parent logins
2 - Set either to have local accounts for Directory Group Authentication
3 - Use either Community Id or Family Code to create the Usernames
4 - Maximum number of time slots that an individual staff member can block
5 - All staff to edit interviews (usually default is off)
6 - Use of Server Side Operations to create sessions and time slot (increase speed when set on server)
7 - Web Login Address to send to Parents for the sessions
8 - Set a website to sit in the background for the Login Screen. (Usually the school website
9 - School Logo for display in booking sessions
10 - Email Server settings for sending session notifications and appointments (IT dept)

Parent Notification Settings

Letters, Email and SMS data for sending out Notifications of Sessions.
1 - All correspondence needs to be updated with the school's information.
2 - If a teacher requests interviews these will be listed here, otherwise this text does not appear.
3 - If these are populated the "Test Email Address" and "Test SMS Number" fields, then notifications will be sent to them for testing purposes. To send to the actual parents, empty the "Test Email Address" and "Test SMS Number" fields.

SMS Notification

Please note that the text for SMS needs to fit to the standards of the schools system. If a teacher has requested an interview it will only display the information not the classes.

Calendar Notification Email Text

Text that will appear when sending out emails to create a calendar item.

Timeslot Templates

Go to the Timeslot Templates to edit or create PTI timeslots

Creating a New PTI Session

Click the Creation Assistant Tab - Ensure that the "Include in PTI" check box is on for all classes to be included in the session. If they are not checked click "No", goes directly to the classes file for updating. Please note for any non teaching staff (Eg. HOY, Year Co-ordinators, etc) create a class with at least 1 lesson time and required year group and they will be added to the session.

Check only the classes that are to be included in the PTI session.

Select the Year group to be included in this session, can be multiple year groups. If a previous session has been created it will default to the last session details.

Name the Session.

Enter the date of the Session.

Enter the Start date that staff can login.

Enter the End date for staff login.

Enter the date for Parents to be able to login and make bookings.

Enter the end date for Parents to be able to login.

Choose a room for the Interviews. This can be changed or updated later. Also individual staff can set different rooms.

Choose a Session Times from the templates created.

Click Create Session.
